Our Business Objective

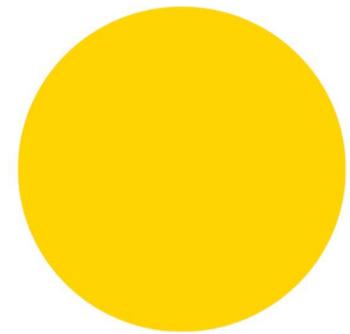

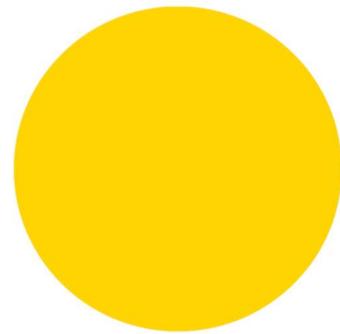

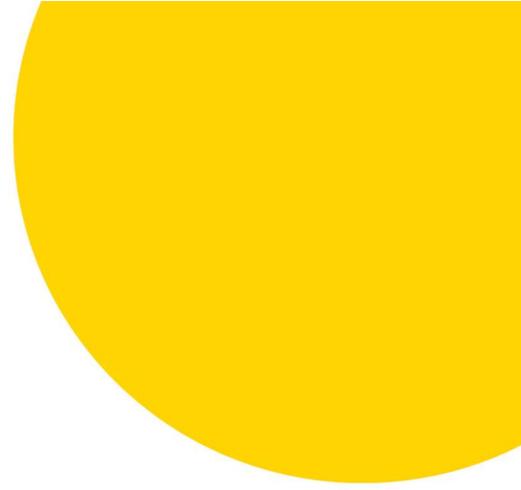

Through experience and observation, One Umbrella was born - a one-stop business solution created with the collaboration of our expertise and experienced network.

Our service allows you to focus on your business plans and drive your business forward. One Umbrella – Our new company was set up to provide one-stop business support. From Financial support, Marketing, IT, PR, Systems and Processes, HR, and Design - we have team members on hand to help with all facets of running a company. (It certainly saves having to Google for help every time you meet a roadblock in your business)

Location is no barrier for the One Umbrella team, we combine a mixture of video calls with on-site visits to help your business move forward.

How to Contact Us

Join us under our
umbrella.

We're getting ready to
dance in the rain.
